

# **Michael D. Pullmann, Ph.D.**

**Research Associate Professor  
University of Washington School of Medicine  
School Mental Health, Assessment, Research and Training Center**

**June 2020**

## **EDUCATION**

2006-2009	Vanderbilt University Nashville, TN Ph.D., Community Research and Action
1998-1999	Portland State University Portland, OR M.S., Applied Developmental Psychology
1991-1995	California Polytechnic State University San Luis Obispo, CA B.S. Human Development, & Applied Developmental Psychology

## **POSTGRADUATE TRAINING**

2009-2010	Post-doctoral Senior Fellow Department of Psychiatry and Behavioral Sciences University of Washington School of Medicine Seattle, WA
-----------	---

## **FACULTY POSITIONS HELD**

2016-current	Research Associate Professor Department of Psychiatry and Behavioral Sciences University of Washington School of Medicine Seattle, WA
2011-2016	Research Assistant Professor Department of Psychiatry and Behavioral Sciences University of Washington School of Medicine Seattle, WA

## **OTHER ACADEMIC APPOINTMENTS**

2010-2011	Research Scientist Department of Psychiatry and Behavioral Sciences University of Washington School of Medicine Seattle, WA
2005-2009	Pre-doctoral Fellow Vanderbilt University Nashville, TN
2007	Statistical Consultant Vanderbilt University Medical Center and Children's Hospital Nashville, TN
2006	Program Evaluator Partnerships for Youth Transition Portland State University Portland, Oregon
1998-2005	Research Coordinator Regional Research Institute & Research and Training Center on Family Support and Children's Mental health Portland State University Portland, OR

**HOSPITAL POSITIONS HELD:** None

## **HONORS**

2011	Family Advocate of the Year Changes Parent Support Network Seattle, WA
2008	Summer Institute on Youth Violence Prevention The Academic Center of Excellence on Youth Violence Prevention (UC Riverside) and The Center for Culture, Immigration, and Youth Violence Prevention (UC Berkeley) San Diego, CA
2007	1 <sup>st</sup> place research poster National Rural Health Association Annual Conference Anchorage, AK
2006	3 <sup>rd</sup> place research poster Rural Health Association of Tennessee Annual Conference Nashville, TN

2005-2008	Graduate Research Fellowship National Research Service Award (NRSA) Vanderbilt University Nashville, TN
2005-2008	Peabody Graduate Honor Scholarship Vanderbilt University Nashville, TN
2005-2008	Peabody Dean's Fellowship Vanderbilt University Nashville, TN
1996	Josy Stearns' Memorial Award for Graduating Senior California Polytechnic State University San Luis Obispo, CA

**BOARD CERTIFICATION:** None

**CURRENT LICENSES TO PRACTICE:** None

**PROFESSIONAL ORGANIZATIONS:**

Association of Behavioral and Cognitive Therapists  
Society for Implementation Research Collaborative  
American Educational Research Association

**TEACHING RESPONSIBILITIES**

2015-2019	<i>Co-developer and Presenter</i> Analysis and Technical Skills Learning Community Division of Public Behavioral Health and Justice Policy School Mental Health Assessment Research and Training Center University of Washington Develop, curate, and lecture in an ongoing monthly series of analytic and technical skills trainings to research staff and faculty
2014	<i>Guest Lecturer</i> Racial and Ethnic Disproportionality in the Juvenile Justice System (Trupin) University of Washington Department of Psychiatry Lecture to undergraduate students about findings from a study of the rates of and reasons for racial and ethnic disproportionality in the Washington State Juvenile Justice System
2013	<i>Guest Lecturer</i> Race and Justice Clinic (Ambrose) University of Washington School of Law Lecture to graduate students of law on the assessment of Disproportionate Minority Contact in Juvenile Justice in Washington State

- 2013 *Guest Lecturer*  
 Child Clinical Seminar (King)  
 University of Washington Department of Psychology  
 Lecture to graduate students on the epistemological underpinnings of social science, and applications of participatory research
- 2012 & 2013 *Guest Lecturer*  
 Grantsmanship seminar (Larimer & Romano)  
 University of Washington Department of Psychiatry and Behavioral Sciences  
 Center for the Study of Risk Behavior  
 Lecture to graduate students on program evaluation
- 2007 *Guest Lecturer*  
 Systematic Inquiry  
 Vanderbilt University  
 Junior seminar hosted by the Department of Human and Organizational Development to develop student's knowledge of social science methods and applications. Taught seminars on Participatory Action Research and Community Based Participatory Research.
- 2006 *Instructor*  
 Applied Statistics for Community Research and Action  
 Vanderbilt University  
 Introduced graduate students to advanced statistical methods and applications, including multivariate and longitudinal analyses, database manipulation, and multilevel modeling. Approximately 50% responsibility
- 2001-2005 *Guest Lecturer*  
 Social Work Research  
 Portland State University  
 Graduate seminar hosted by the Department of Social Work. Annually presented on special topics related to conducting participatory research and evaluation in community settings.
- 1998-1999 *Instructor*  
 General Psychology  
 Heald College  
 Taught undergraduate general psychology. 100% responsibility.
- 1998 *Student Instructor*  
 Computer Applications in Biology  
 Portland State University  
 Course hosted by the Department of Biology for students to learn how to develop and use computer applications to catalogue and store information on biological specimens. Co-taught course, approximately 30% responsibility.

## **RESEARCH MENTORING**

<b>Year</b>	<b>Mentee</b>	<b>Outcome</b>
2018-2020	Larissa Gaias	Assistant Professor, University of Massachusettes, Lowell
2016-2018	Douglas Judge	Dissertation committee, College of Education
2015-2018	Kelly Whitaker	Post-doctoral fellow
2015-2019	Perna Martin	Doctoral student
2015-2019	Leah Lucid	Doctoral student
2015-2020	Rosemary Meza	Dissertation committee
2013-2015	Andrea Negrete	Doctoral program, University of Virginia
2013-2020	Julie Harrison	Doctoral student, University of Washington
2012-2018	Spencer Hensley	Presentations & publications
2012-2013	Anne Buher	Manager, Building Changes
2012-2013	Rebecca Leonard	Graduate applications
2011-2013	Starcia Ague	Youth and Family Advocate Program Administrator Juvenile Rehabilitation Administration
2011-2012	Chelsea Nehler	Doctoral program, University of North Carolina
2009-2011	Andrew Rivers	Doctoral program, University of California, Davis
2010-2012	Kate Conover	Doctoral program, San Diego State University
2010-2012	Julia Cox	Doctoral program, Virginia Commonwealth
2010-2011	Lindsay Satterwhite- Mayberry	PhD, Vanderbilt University Postdoctoral fellowship, Vanderbilt University Medical Center Assistant Professor, Vanderbilt University Medical Center
2009-2013	Ericka Weathers	Doctoral program, Stanford University
2009-2011	Michael Nelson	PhD, Vanderbilt University
2007-2009	Cheri Hoffman	PhD, Vanderbilt University Chief Scientific Advisor to Rep. Louise Slaughter, US House of Representatives
2003-2005	Jodi Kerbs	PhD, Portland State University Faculty, Washington State University
2002	Joy Leary	PhD, Faculty, Portland State University

## **EDITORIAL RESPONSIBILITIES**

2013-2014	Guest Editor Advances in School Mental Health Promotion Volume 6, Issue 4 Volume 7, Issue 1
Ad hoc reviewer:	Psychiatric Services Early Intervention in Psychiatry Children and Youth Services Review BMC Psychiatry Behavior Therapy Advances in School Mental Health Promotion JAMA Psychiatry (formerly Archives of General Psychiatry) Child & Family Social Work

**SPECIAL NATIONAL & INTERNATIONAL RESPONSIBILITIES**

2018	Institute of Education Sciences, Grant Review Panel Member
2015-current	Member, Society for Implementation Research Collaboration Network of Expertise
2015-current	Research Partner, Institute for the Reduction of Youth Violence (IRYV), Simon Fraser University, Burnaby, Canada
2014 – current	Lead Statistician and Methodologist, School Mental Health, Assessment, Research, and Training (SMART) Center, University of Washington
2013 & 2014	National Institute of Justice, Grant Review Panel Member
2011	Consultant National Evaluation of the Children’s Mental Health Initiative to the Substance Abuse and Mental Health Services Administration (via Manila Consulting)

**SPECIAL LOCAL RESPONSIBILITIES**

2017-current	Lead, Quantitative Analysis Core, University of Washington School Mental Health Assessment, Research, and Training Center
2015-current	Co-developer and presenter, Analysis and Technical Skills Learning Community, University of Washington School Mental Health Assessment, Research, and Training Center, and Division of Public Behavioral Health and Justice Policy
2014-current	Lead statistician and methodologist, University of Washington School Mental Health Assessment, Research, and Training Center
2011-2014	Member, Washington State Disproportionate Minority Contact Committee, Washington Partnership Council on Juvenile Justice
2006-2008	Co-coordinator, Healthy Communities Workgroup, The Center for Community Studies, Vanderbilt University
2007	Member, Center for Community Studies Grant Review Committee, Vanderbilt University
2005-2009	Member, Tennessee Juvenile Justice/Mental Health Committee
2005-2009	Member, Tennessee Juvenile Detention Alternatives Initiative Committee

2005-2006	Member, Tennessee Disproportionate Minority Contact Committee (Juvenile Justice)
2005-2006	Conference co-coordinator, Southeast Ecological Psychology (ECO) conference
2005-2006	Student representative, Human and Organizational Development Executive Committee, Vanderbilt University

## **RESEARCH FUNDING**

### **Currently funded**

R21MH119360	Pullmann (PI)	2/1/20-1/31/22
National Institute of Mental Health		
Measuring the Multilevel Outcomes of Children’s Mental Health Services Implementation		
Develop a taxonomy of multilevel outcomes or “ripple effects” of common children’s mental health services implementation strategies.		
Role: Principal Investigator		
P50MH115837	Arean (PI)	5/15/18 – 4/30/22
National Institute of Mental Health		
UW ALACRITY Center for Psychosocial Interventions Research		
Create a framework informed by experts in human-centered design technology, education, and implementation science to improve the implementability of evidence-based interventions.		
Role: Co-investigator, Methodologist, Statistician		
R01MH119148	Lyon & Cook (PI)	1/22/20-11/30/24
National Institute of Mental Health		
A Hybrid Type II Trial of Trauma-Focused Cognitive Behavioral Therapy and a Pragmatic Individual-Level Implementation Strategy		
Conduct a large-scale trial of the Beliefs and Attitudes for Successful Implementation in Schools (BASIS) implementation strategy in the context of implementing Trauma-Focused Cognitive Behavioral Therapy.		
Role: Co-investigator, Methodologist, Statistician		
R305A200023	Locke, Lyon, Cook (MPI)	7/1/20-6/30/23
Institute of Education Sciences		
Helping Educational Leadership Mobilize Evidence (HELM): An Organizational Intervention to Promote Strategic Implementation in Schools		
Build and test an intervention to promote leadership behaviors in school-based implementation efforts		
Role: Co-investigator, methodologist		
R305A200050	Bruns (PI)	7/1/20-6/30/24
Institute of Education Sciences		
Development and Testing of a Research-Based Tier 3 Wraparound Model for Schools		
Develop and test Wraparound planning, an intensive, team-based approach to treatment and support planning for youth with mental health problems and other issues in multiple domains, to be delivered in schools.		
Role: Co-investigator, methodologist		

1P50CA244432

Weiner, Hannon, Lewis (MPI)

9/20/19- 8/31/24

National Cancer Institute

Optimizing Implementation in Cancer Control: OPTICC

The OPTICC Center seeks to improve cancer outcomes by developing, testing, and refining innovative methods for optimizing the implementation of evidenced-based interventions (EBIs) in community and clinical settings for a wide range of cancers across the cancer care continuum.

Role: Co-Investigator, Methodologist, Statistician

R324A200033

Locke (PI)

7/1/20-6/30/24

Institute of Education Sciences

Preparing Teachers and Paraprofessionals for the Successful Inclusion of Children with ASD

The purpose of this study is to identify what evidence-based practices (EBPs) teachers and paraprofessionals use to more meaningfully include and retain children with autism spectrum disorder (ASD) in general education settings; and the malleable individual and organizational characteristics that increase EBP use.

Role: Co-investigator, methodologist

Administration on Children, Youth, and Families

Mangiaracina (Program PI) Pullmann (Research PI)

12/30/14 – 9/31/19

King County Commercially and Sexually Exploited Children (CSEC) Program Expansion to Better Serve the Child Welfare Population

An evaluation of an expansion project intended to improve the networking and coordination of services, systems, and agencies that work with the CSEC population in order to improve prevention, identification, and intervention. \$300,000 (evaluation subcontract)

Role: Principal Investigator (Research)

Office of Special Education and Rehabilitative Services, US Dept of Ed

10/1/13-9/30/19

Implementing iBESTT in Schools: Increasing the Fidelity of Behavior Plans Using Tablet Technology

Testing the effectiveness of a web-based school application designed to improve the consistency, accuracy, and utility of functional behavioral assessments and intervention plans for youth in autism. \$2,500,000

Role: Methodologist, Statistician

Institute for Education Sciences Goal 2

Cook & Lyon (PI)

Beliefs and Attitudes for Successful Implementation in Schools -- Teachers (BASIS-T)

This project proposes to develop and test a pre-implementation strategy to improve classroom EBP implementation uptake for teachers and other educators.

Role: Co-investigator, methodologist and statistician

American Foundation for Suicide Prevention Focus Grant

Adrian & Lyon (PI)

Assessment of Suicide and Self-injury to Enhance School Safety (ASSESS)

This project will apply a machine-learning protocol to social media in order to assess for and intervene with suicidal high school students.

Role: Methodologist and statistician

**Completed**

Institute for Education Sciences Goal 3

McCauley and Bruns (PI)

7/1/16 – 6/30/20

Efficacy of a Brief Intervention Strategy for School Mental Health Clinicians

This project is studying the efficacy of the BRISC protocol, a short term, modular, evidence-informed framework for school based clinicians to quickly treat or triage emotional and behavioral problems.

Implementation is occurring in four states and 60 schools.

\$3,200,000

Role: Co-Investigator, methodologist and statistician

Institute for Education Sciences Goal 3

Suter (PI)

7/1/15 - 6/31/20

Efficacy of RENEW for High School Students with Emotional and Behavioral Disorders

A randomized controlled study to conduct an evaluation of the efficacy of a multidisciplinary, individualized intervention for high school students with emotional and behavioral disorders on their school functioning.

\$3,499,501

Role: Co-investigator, methodologist, statistician

National Institute of Mental Health R34

McMahon, Katz (PIs)

7/1/14 – 5/31/19

Parent Training and Emotion Coaching for Children with Callous-Unemotional Traits

Pilot study examining the feasibility of enhancing the effectiveness of the Helping the Noncompliant Child parent behavioral skills training program with children who are high in Callous-Unemotional traits by incorporating elements from the Emotion Coaching intervention. \$450,000

Role: Co-investigator, statistician, methodologist

Institute for Education Sciences Researcher-Practitioner Partnerships

Pullmann (PI)

7/1/15 – 6/30/18

The Seattle Minority Engagement and Discipline Reduction Research Collaborative

This project proposes to build a longstanding research collaborative with Seattle Public Schools, initially focused on the reduction of disproportionate minority discipline. This would be conducted within the School Mental Health Assessment, Research, and Training (SMART) Center, a multidisciplinary collaboration between the UW School of Medicine and School of Education. \$400,000

Role: Principal Investigator

National Institute of Justice

Cook & Lyon (Co-PIs)

1/1/15 – 12/31/17

Brief Interventions Enhancing School Safety

This proposal intends to improve the ability of schools to identify and intervene with youth at risk of creating safety problems through the use of an early warning indicators system, with needs matched to specific interventions. \$1,475,000

Role: Co-investigator, methodologist, statistician

National Institute of Mental Health R21

Cook & Lyon (PI)

7/1/16 – 6/31/18

Beliefs and Attitudes for Successful Implementation in Schools (BASIS)

This project proposes to develop and test a pre-implementation strategy to improve EBP implementation uptake by school based mental health clinicians through subtle strategies to influence their beliefs and attitudes about the implementation. \$437,543

Role: Co-investigator, methodologist and statistician

King County Superior Court  
Pullmann (PI) 1/1/14 – 12/31/18  
King County Juvenile Court, Family Treatment Court Evaluation  
Evaluate the effectiveness of a family treatment court using administrative datasets. \$90,000  
Role: Principal Investigator, statistician, methodologist

National Institute of Mental Health  
Trupin (PI) 6/1/14 – 5/31/16  
Development, Usability Testing, and Effectiveness Evaluation of the Wraparound Team Monitoring System, Phase II STTR  
This project builds on a Phase I STTR grant to refine the development of an electronic monitoring system for facilitating the functioning of wraparound teams. \$432,367  
Role: Statistician, methodologist

Substance Abuse and Mental Health Services Administration via Westat  
Pullmann (PI) 9/30/13 – 9/29/18  
Evaluation of the Comprehensive Community Mental Health Services for Children and their Families Program  
Design and conduct quantitative and qualitative evaluation of the implementation of the Comprehensive Community Mental Health Services program in multiple sites nationwide. \$193,840  
Role: Principal Investigator, Statistician

Administration on Children, Youth, and Families  
Kerns (PI) 9/29/12 – 9/30/17  
Creating Mental Health Connections for Children and Youth in Foster Care  
Academic-State Partnership aiming to improve outcomes for youth in child welfare by increasing community capacity to screen for and deliver evidence-based practices for youth with behavioral health problems.  
\$3,196,309  
Role: Co-investigator, Statistician, methodologist

National Institutes of Mental Health R01  
Dorsey (PI) 4/1/12 – 3/30/17  
Improving Practice in Community-based Settings: A Randomized Trial of Supervision Strategies  
Randomized controlled trial aiming to improve clinician fidelity to TF-CBT practice through the implementation of feasible and realistic “real world” supervision practices. \$2,466,509  
Role: Co-investigator, Statistician, Methodologist

Institute on Education Sciences Goal 2  
Bruns, McCauley (PIs) 7/1/12 – 6/30/16  
Brief Intervention for School Clinicians  
A study to design and implement a brief data-feedback intervention program in public schools. \$1,123,246  
Role: Statistician, methodologist

Annie E. Casey Foundation, via Pierce County Superior Court  
Walker (PI) 1/1/15 – 12/31/17  
A Vision for Transforming Probation: Family and Community-Informed Practice  
An evaluation of reorganizing probation practice to focus on developmental strengths in youth and families.  
\$41,174  
Role: Co-investigator

State of Washington Department of Social and Health Services  
 Trupin (PI) 7/1/12 – 6/30/13  
 2ESHB 2536 Evidence Based Practices  
 Consult with DSHS and HCA on the implementation of the Engrossed Second Substitute House Bill 2536 and  
 work collaboratively with WSIPP on the Statement of Work items. \$185,000  
 Role: Methodologist

University of Maryland  
 Bruns (PI) 12/1/11 – 9/30/13  
 UM Eight State Wraparound Evaluation  
 Provide technical assistance and evaluation support to the PRTF Waiver Implementation project with  
 University of Maryland School of Social Work. \$286,879  
 Role: Statistician, methodologist

King County Mental Health, Chemical Abuse, and Dependency Services Division  
 Pullmann, Trupin (Co-PI) 9/30/10 – 9/29/13  
 JDCEP and AAFT-4 Evaluation  
 Program evaluation of the Juvenile Drug Treatment Court Enhancement Project and the Assertive Adolescent  
 and Family Treatment Project. \$262,000  
 Role: Co-PI, Statistician

King County Superior Court  
 Bruns (PI) 7/1/05 – 12/31/12  
 King County Juvenile Court, Family Treatment Court Evaluation  
 Evaluate the effectiveness of a family treatment court using administrative datasets. \$103,520  
 Role: Co-investigator, Statistician

State of Washington  
 Pullmann, Trupin (Co-PI) 7/1/11 – 10/30/12  
 Disproportionate Minority Contact Assessment  
 Conduct an assessment of the levels of Disproportionate Minority Contact with the Juvenile Justice System  
 throughout the State of Washington. \$64,978  
 Role: Co-PI, Statistician

City of Seattle Office for Education  
 Pullmann, Bruns (Co-PI) 7/1/11 – 6/30/12  
 Family Support Program Evaluation  
 Conduct an evaluation of the functioning and outcomes of the Seattle Public Schools Family Support  
 Program. \$100,000  
 Role: Co-PI, Statistician

MacArthur Foundation Models for Change  
 Trupin (PI) 9/1/09 – 8/31/11  
 Develop a caregiver-led information and support program for families who are new to the juvenile justice  
 system. \$501,253  
 Role: Research Scientist

Substance Abuse and Mental Health Services Administration  
 Kerns (PI) 2/1/09 – 9/29/11  
 Yakima Valley System of Care Consultation  
 Provide consultation for the development of the Yakima Valley System of Care. \$102,655  
 Role: Research Scientist

State of Washington Department of Social and Health Services (DSHS)  
 Trupin (PI) 10/1/09 – 6/30/11  
 State Medicaid FY 10  
 Provide clinical training, technical assistance, consultation and continuing medical education in collaboration with other research and clinical institutes, and community mental health agencies. \$515,080  
 Role: Senior Fellow

National Institute of Drug Abuse R21 DA017682  
 Heflinger (PI) 6/1/08 – 5/30/09  
 Substance Use Disorders and Service Use Among Rural Youth  
 Designed to examine patterns of services use by adolescents with substance use problems living in rural areas. \$399,357  
 Role: Statistician, qualitative analyst

National Institute of Mental Health R01 MH070680  
 Heflinger (PI) 6/1/08 – 5/30/09  
 Rural Child/Adolescent Mental Health Service Use  
 Designed to examine service use and outcomes by children and adolescents with mental health disorders living in rural areas. \$791,100  
 Role: Statistician

National Institute of Mental Health R01 MH067862  
 Davis (PI) 10/1/06 – 3/31/07  
 Arrest Patterns among Youth in Mental Health Systems  
 Designed to explore the longitudinal arrest patterns of youth in mental health systems, focusing on mental health service receipt, diagnoses, and other predictive covariates.  
 Role: Statistician

National Institute of Mental Health T32 MH019544  
 Bickman (PI) 6/1/05 – 5/30/08  
 Children's Mental Health Services Research Training Grant  
 Train pre-doctoral graduate students at Vanderbilt University on conducting research within children's mental health. \$1.3 million  
 Role: Trainee

Substance Abuse and Mental Health Services Administration 6HS5SM52262-01  
 Koroloff (PI) 1998 - 2005  
 Clark County Children's Mental Health Initiative  
 Designed to reorganize the system of care for children's mental health utilizing established principles and interagency coordination  
 Role: Program Evaluator, Statistician
