

# SCHOOL MENTAL HEALTH SUPPLEMENT YEARS 1 – 4

The School Mental Health Supplement to the Northwest MHTTC supports the school mental health workforce across Region 10, which includes the states of Alaska, Idaho, Oregon and Washington.

“ The NWMHTTC has made significant efforts to understand the needs of rural and remote schools and those of the Alaska native population. The feedback from school districts on the NWMHTTC technical assistance, training and resources has been extremely positive. ”
